

## Division of Fleet and Surplus Services

### 3,000 mile required PM schedule

Miles	Suggested preventive maintenance services	Miles	Suggested preventive maintenance services
3,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure	39,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure
6,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings	42,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings
9,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure	45,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, replace air filter, replace fuel filter, service transmission
12,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings	48,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings
15,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, replace air filter if necessary, replace fuel filter	51,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure
18,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings	54,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings
21,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure	57,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure
24,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings	60,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, replace air filter, replace fuel filter, service automatic
27,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure	63,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure
30,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings, replace only non-platinum spark plugs replace air filter, replace fuel filter, service transmission, replace emission filters, FWD only - repack rear wheel bearings, RWD only - repack front wheel bearings	66,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brakelinings
33,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure	69,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure
36,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings	72,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, check tire pressure, check brake linings

Miles Suggested preventive maintenance services

Miles Suggested preventive maintenance services

75,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, replace air filter, replace fuel filter, service transmission	99,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure
78,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, check tire pressure, check brake linings	102,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings
81,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure	105,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, replace air filter, replace fuel filter, service transmission
84,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings	108,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings
87,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure	111,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure
90,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings, replace only non-platinum spark plugs, replace air filter, replace fuel filter, service transmission, replace emission filters FWD only - repack rear wheel bearings RWD only - repack front wheel bearings	114,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings
93,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure	117,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure
96,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, check brake linings	120,000	Change oil and filter, lube chassis as required, check and fill all fluid levels, check tire pressure, rotate tires, replace air filter, replace fuel filter, service transmission
